**"The war in Ukraine is a colonial war, aimed at
restoring a system like the Soviet Union," Head
of the UGCC**

The Church helps to
build social justice by
preaching and apply-
ing four principles of
its social doctrine:
dignity of the human
person, solidarity,
subsidiarity and com-
mon good.

For free people, a state is a common good. For
Ukrainians, a state is the only guarantee of being free on
their land. Previously, we lived in our land as citizens of
the second class.

This was stated by His Beatitude Sviatoslav in an
exclusive interview for the Italian edition of ACI Stampa,
telling about the meeting of the UGCC bishops with the
Pope Francis and representatives of the Vatican Curia.

According to the Head of the UGCC, the central theme
of their conversation was the war in Ukraine and
humanitarian crisis caused by the war.

"We are a post-genocidal people: we still cure the
wounds of the great tragedy of Holodomor in the history
of our people. Two World Wars and extermination of
Ukrainians by Stalin's famine turned Ukraine into the land
wet with blood of millions of people. Now our state is
experiencing a period of self-worth awakening. And it's
important to understand what we mean when we use the
word "Ukraine," said the Primate.

And later he added: "By the word 'Ukraine' we mean
primarily the nation with its own history, its wounds and,
at the same time, its hopes. We think of the state as a
subject of international law with well-defined boundaries
recognized by the international community. This is a state
which is the common good of our nation in its
multinational and multireligious dimensions; of the nation
which is undergoing decolonization, that is, trying to get
out of the periphery to become a partner in dialogue with
the countries of Central and Eastern Europe."

"Instead, our aggressor, that is, the Russian
Federation," said His Beatitude Sviatoslav, "by the term
'Ukraine' means the territory that is an object of
negotiations and geopolitical interests. The Russians
deny the existence of such a nation and consider Ukraine
as a temporary state. They want to demonstrate that,
rather, it is a state that "failed". These are two completely
different concepts."

Конгрегація для Східних Церков

Конгрегація для Східних Церков – це відомство Римської Курії, завданням якого є сприяти зростанню, забезпечувати збереження літургічної, духовної та дисциплінарної спадщини Церков візантійського, сирійського, вірменського, халдейського та коптського обряду, які перебувають в єдності з Апостольською Столицею. Крім того, в окремих регіонах вона має ексклюзивну юрисдикцію, де їй підлягають також вірні латинського обряду.

Конгрегація складається з кардинала Префекта, який нею управляє з допомогою Секретаря, та з кардиналів, архієпископів та єпископів, призначених Папою. Від 2007 року її очолює кардинал Леонардо Сандрі, а 2009 року Секретарем призначено архієпископа Циріла Васіля, ТІ. З природи самого права членами Конгрегації Східних Церков є Патріархи та Верховні Архієпископи Східних Католицьких Церков, а також Президент Папської Ради сприяння єдності християн.

On August 6, 2019, the Apostolic See announced that Holy Father Pope Francis had nominated new members of the Congregation for the Oriental Churches, including Archbishop and Metropolitan Bishop Borys Gudziak.

A statement on the official website of the Apostolic Capital reads, in particular: “His Holiness Francis included in the Congregation for the Oriental Churches: His Eminence Cardinal Gualtiero Bassetti, Archbishop of Perugia-Citta della Pieve; His Eminence Cardinal Carlos Osoro Sierra, archbishop of Madrid; His Eminence Cardinal Anders Arborelius, bishop of Stockholm; His Eminence Cardinal Louis Francisco Ladaria Ferrer, TI, Prefect of the Congregation for the Doctrine of the Faith; Archbishop Anthony Colin Fischer of Sydney, Australia; Archbishop Georges Bakouni of Beirut and Jbeil of the Greek Melkites; Archbishop Borys Gudziak of Philadelphia for Ukrainians Greek Catholic; Archbishop Michel Petit of Paris, and Bishop Miguel Angel Ayuso Guixot, president of the Pontifical Council for Interreligious Dialogue.”

Reference:

Congregation for the Oriental Churches

The Congregation for the Oriental Churches is the Office of the Roman Curia, whose mission is to promote the growth, preserve the liturgical, spiritual and disciplinary heritage of the Byzantine, Syrian, Armenian, Chaldean, and Coptic Churches in unity with the Apostolic See. In addition, in certain regions, it has exclusive jurisdiction over the faithful of the Latin rite.

The Congregation consists of Cardinal Prefect, who administers it with the assistance of the Secretary, and of Cardinals, Archbishops and Bishops appointed by the Pope. Since 2007, it has been headed by Cardinal Leonardo Sandri, and in 2009 as the Secretary was appointed Archbishop Cyril Vasil, TI. From the very nature of law, members of the Congregation for the Oriental Churches are the Patriarchs and Supreme Archbishops of the Eastern Catholic Churches, as well as the President of the Pontifical Council for the Promotion of the Unity of Christians.

Press Service of the Secretariat of the Synod of Bishops of the UGCC

Statement of Philadelphia Ukrainian Catholic Archbishop-Metropolitan Borys Gudziak on the Massacres in Texas and Ohio

The shock of the wanton violence and massacres calls us to conversion. The gun culture, violence on screens, and personal morality, in general, in our country— all need conversion.

The complex factors which stand behind the hate, racism, rejection of immigrants, the compulsions and addictions, the mental illness, and escalating aggression do not have one common social denominator—other than a spiritual and moral one—the rejection of God, a lack of love for neighbor.

The free-for-all in our popular culture, the use of guns as toys or instruments of revenge, the lack of respect for the sanctity of human life from conception to natural death is all in a continuum. So is the vulgar political discourse.

I am afraid it will get worse before it gets better.

Unless we have a change of heart.

Unless we address the root causes.

Unfortunately, many political and social leaders are taking us in the wrong direction.

Pray, be humble, and do the right thing always and everywhere. That is the best we can do, that is the example of our Lord in the face of injustice and violence.

Reread the Passion accounts in the Gospels. Their truth has never been more relevant...
