ВОЗДВИЖЕННЯ ЧЕСНОГО ХРЕСТА

“Почитання святого Господнього хреста, — каже слуга Божий митрополит Андрей Шептицький у своєму посланні про святий хрест, — це одна з найважливіших сторінок почитання Бога-Чоловіка... Знак святого хреста, роблений на собі, це один з найстарших звичаїв християн”.

Святий хрест – це вічно живий символ безконечної Божої любові до нас, грішних, символ Христової жертви, символ нашого відкуплення і спасення, символ Христової перемоги над смертю і дияволом. Віддаючи честь святому хресту, ми віддаємо честь Христовій жертві, мукам і смерті. Кладучи на собі знак святого хреста, ми кожного разу визнаємо свою віру в нашого Спасителя.

Східна Церква так високо почитає святий хрест, що встановила в його честь аж кілька празників у році. Найбільший празник у честь святого Господнього хреста — це празник Всесвітнього Воздвиження Чесного і Життєдайного Хреста. Тож погляньмо на історію його установлення та на різні обряди воздвиження.

There is a new collection for this month. We have some envelopes by the collection box. Next year it will be added to your regular set of envelopes.

Museums and libraries have been destroyed in many centers in Ukraine. It is essential that we continue to preserve our cultural heritage here in the United States.

Our Museum and Library in Stamford, with many cultural and literary treasures collected over nearly a century, is uniquely suited for this mission.

Розпочинаємо нову збірку для Українського музею і бібліотеки у Стамфорди, щоб зберегти це, що в Україні тепер стараються знищити.

Посмертна згадка

З волі Всевишнього відійшла в Божу вічність добра мама, і бабуня, бл. П. Анна Поліщук

Народилась покійна в родині Дмитра і Татіяни Блендоногих 28 квітня 1924 р. в селі Іщкові Тернопільської області.

Середню освіту одержала в Бережанській Державній Гімназії, закінчивши матурою в лютому 1944 року в час коли вже в Тернополі велись бої відступаючої німецької армії з наступаючою советською.

В квітні того року з наказу німецької військової команди, населення Іщкова / як і інших сіл на правобережжі ріки Стрипи / муисіло залешити рідні хати і поселитися в селах віддалених подальше на захід.

Але це вже був початок воєнної скитальщини. Слідувала мандрівка в невідоме.

Воєнні роки пройшли у тяжкій праці в тунелях біля місточка Кагля (Турингія, Німеччина), де виробляли частини до модерної зброї V-2.

Після закінчення війни слідували табори переселенців у містах: Амберг, Бамберг, Байройт.

В 1947 р. була принята на студії фармації в німецькому університеті в Мінхені. Після двох років навчання перервала студії з причини зтяжної недуги.

Після видужання в листопаді 1962 р. вже з чоловіком Петром і синами Володимиром і Романом імігрувала до США, та замешкала у Боффало де проживали її батьки.

В слідуячому році одержала працю в боффалівському університеті Department of Pharmaceutics School of Pharmacy.

З появою нового інструменту High Pressure Liquid Chromatograph "HPLC" перейшла короткий курс вивчаючи примінення того інструменту для скорого означення концен-

трації різного рода медикаментів у біологічних речовинах пацієнтів.

В тій ділянці у вище згаданому департаменті працювала 22 роки, аж до відходу на пенсію.

Помимо вимагаючої праці поза хатою з увагою дбала про родину.

Постійно помагала матеріально численній родині в Україні, церкві і школі у рідному селі. Належала до Союзу Українок Америки де роками солідно сповняла обовязки на призначених постах.

Родина просить згадати окійну у молитвах.

The View From Up Here

Glory to Jesus Christ!

Hello to you all, Dear Climbers on the Holy Mountain!

Really? It's the end of September?!! The old sailor always said, "Time and tide waits for no man!" Thank God for the beautiful times and gifts of our God! The months gone by, August and September, made for an absolutely glorious time in the cycle of feast days and fast days of our Church! Thank God for the beautiful and abundant blessings of the summertime, brought forth in the Holy Days of August, then the beginning of the new Church Year with the promise of the continued graces and gifts to come, and then the important, special and holy Feast Days of September! I pray you didn't miss the abundant graces and beautiful prayer of that time. Every day, every moment is grace-filled and a sacred help given to us by our Creator to aid us on our climb to Him...to be filled with His blessings and be filled with His Life, even as we are here on earth! Glory to God, Who blesses us and sanctifies us and calls us to Himself! Through the prayers of the Mother of God and of all the Saints, save us, O Saviour!!

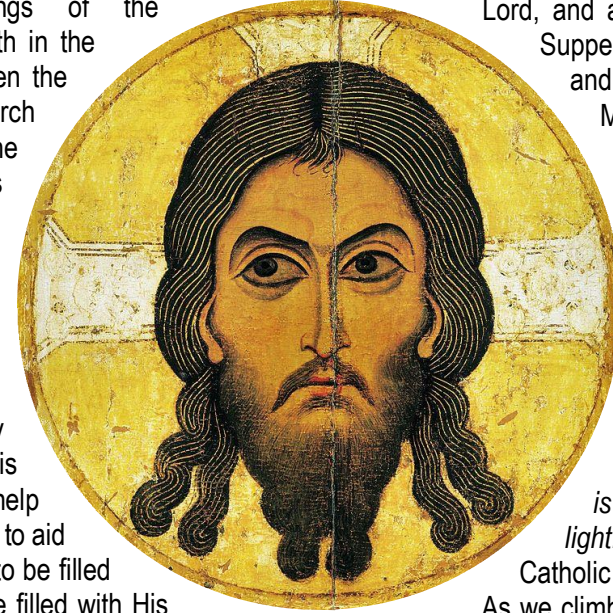

And now we continue our pilgrimage to the top of the Mountain, to the Kingdom.... "Our Father.... Thy Kingdom come...."!!!! Our pilgrimage, our journey, our climb has become especially stressful, hazardous, frightening, and yes, even often with doubts about what this is all about. There is not one day that goes by that we hear the question, or even ask it ourselves, "What is going on?" Indeed the world seems to be filled with Evil! War, Black is White, and White is Black, China, Russia, a senile President, lawlessness, illegal

Who Is God?

September 25, 2022

immigrants, politicians, unbelief everywhere! Does anyone still believe in God? We pray for one another so that we all can say, "Yes Lord! I believe and confess!!

Today we are not going to delve into the hypocrisy and evil so clearly prevalent right before our eyes. Today we aren't going to directly address those problems and sins of the world. While we are certain and clearly see, the Great Battle of Good vs Evil underway, for today let's close our eyes to it, even for this brief time. Let's go for a little "R & R". Come to the Lord, and as St. John did at the Last Supper, lay our heads on His chest and listen to the beating of His Most Sacred Heart as He pours out His Love and Comfort and Peace! "Come to Me, you who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from Me; for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy, and My burden is light." (Mt. 11: 28-30 RSV Catholic Edition)

As we climb the Mountain, and get way up there, we begin to be transfigured and realize certain things aren't important anymore, we begin to make our load lighter and get rid of certain distractions and burdens and accumulations of our life. The other day I was in the basement doing just that...going through boxes and "old stuff". Happily for this letter, I came across something I've been holding on to for over 20 years and which became the inspiration for your note this week. It was passed around as "forwards" on the internet in March 2020. It was/is a religion assignment to "explain God, and was written by an eight year old boy. (Wonder what he's like today or where he is!) So God bless him wherever he is! Come and relax in the Lord:

One of God's main jobs is making people. He makes them to replace the ones that die, so there will be enough people to take care of things on earth. He doesn't make grown-ups, just babies. I think because they are smaller and easier to make. That way He doesn't have to take up His valuable time teaching them to talk and walk. He can just leave that to mothers and fathers.

God's second most important job is listening to prayers. An awful lot of this goes on, since some people, like preachers (priests) and things, pray at times besides bedtime. God doesn't have time to listen to radio or TV because of this. Because He hears everything, there must be a terrible lot of noise in His ears, unless He thought of a way to turn it off. God sees everything and hears everything and is everywhere, which keeps Him pretty busy. So you shouldn't go wasting His time by going over your Mom and Dad's head asking for something they said you couldn't have.

Atheists are people who don't believe in God. I don't think there are any in Buffalo (ed.) ☺ At least there aren't any who come to our church.

Jesus is God's Son. He used to do all the hard work, like walking on water and performing miracles and trying to teach people who didn't want to learn about God. They finally got tired of Him preaching to them and they crucified Him. But He was good and kind, like His Father and He told His Father that they didn't know what they were doing and to forgive them and God said, "OK". His Dad (God) appreciated everything that He had done and all His hard work on earth so He told Him he didn't have to go out on the road anymore. He could stay in heaven. So He did. And now He helps His Dad out by listening to prayers and seeing things which are important for God to take care of and which ones He can take care of Himself without having to bother God. Like a

secretary, only more important. You can pray anytime you want and they are sure to help you because they got it worked out so one of them is on duty all the time. You should always go to Church on Sunday because it makes God happy, and if there's anybody you want to make happy, it is God. Don't skip church to do something you think will be more fun like going to the beach. This is wrong, and besides, the sun doesn't come out at the beach till noon anyway. If you don't believe in God, besides being an atheist, you will be very lonely, because your parents can't go everywhere with you, like to camp, but God can. It is good to know He's around when you're scared in the dark and when you can't swim and you get thrown into real deep water by big kids. But you shouldn't just always think of what God can do for you. I figure God put me here and He can take me back anytime He pleases. And that's why I believe in God.

WHO IS GOD? God is the Supreme Being, infinitely perfect, who made all things and keeps them in existence. (Question 2; Lesson 1. New Baltimore Catechism No. 3 1949)

Let us all say: **"I believe in one God, the Father, the Almighty, maker of heaven and earth, of all that is seen and unseen. I believe in one Lord, Jesus Christ.....He will come again in glory to judge the living and the dead, and His kingdom will have no end.....I believe in the Holy Spirit, the Lord, the giver of life....I look for the resurrection of the dead, and life of the world to come. Amen**

Dear Climbers, let us now continue our journey, going onward and upward, walking hand in hand with each other and our good God. We walk with those around us, whom we see, but also the angels and saints, who are also with us, guiding us and keeping us safe on the dangerous climb. Blessings and Prayers for you dear ones!

In His Love, fr. Ray
