

Sobor Post Conference in Rochester 29 of October, 2016. It was the opportunity to find out how much we incorporated the sixth resolution of the Sobor 2013 which states: "To recognize those less fortunate in our parishes and in the world and show Christian love to them by performing community acts of charity." Pictured above the parishes in Western New York Deanery recognized for good posters/powerpoint presentation: 1. Epiphany, Rochester; 2. St. Nicholas, Buffalo, 3. St. Basil, Lancaster; 4. St. Josaphat, Rochester.

(Feb. 14, 1917 - Oct. 14, 2016)

Michael Mochnacz, age 99, of Millcreek Twp., passed away Friday, October 14, 2016 at Manchester Commons, Erie, PA. He was born on February 14, 1917 in Hvizd, Ukraine, the son of the late Ivan and Paraskevia Mychajluk Mochnacz. Michael served with the Polish army during WWII and was a POW in a German camp in 1939. He was employed at Szelagowski Meats, he later ran his own delicatessen and eventually retired from the Ford Motor Co., where he worked in the stamping division. Michael moved to Erie, PA in December of 2011, to be closer to his family.

Michael was a member of St. Nicholas Ukrainian Catholic Church, the Ukrainian Fraternal Association (Providence), the Ukrainian Congress Committee of America, and the Ukrainian

Митрополит Андрей Шептицький  
Зі своєї молодисті Митрополит  
Андрей відзначався побожністю. У  
одному листі до своєї мами він  
так писав: “Ви не можете собі  
уявити, як мені подобається  
все що мале, старе і німичне.”

Постійно допомагав тим що  
потребували помочі, незалеж-  
но чи були вони одного віро-  
ісповідання чи іншого, такої  
національності чи іншої. Ціле  
своє боголюбиве життя ста-  
рався він про єдність нашої цер-  
кви. Він бачив її тяжкі страждання  
але також її майбутній розквіт, якого  
початок ми є свідками сьогодні.

Ще довго потриває, щоб наша церква стала  
на свої ноги як слід, але за молитвами Слуги  
Божого скорше чи пізніше прийде до того. І не  
важне, що він ще не проголошений блаженным,  
і на це прийде час, але важне, щоб за словами  
Слуги Божого Патріярха Йосифа, молилися ми  
не про нього, але до нього, бо якщо ми не  
будемо визнавати його святим, інші також не  
будуть. Для нас він є святим. Проголошення  
його блаженным або пізніше святим, нічого не  
змінить у його єдності з Господом, і в його опіці  
над нашою церквою і над нашим народом.

Зі спогадів мами довідуємося, що Роман, це  
було хресне ім'я Слуги Божого, мав від малку  
нахил до самовідречення і жертви. Найбільшу  
силу будучий митрополит черпав у молитві,  
роздумуючи про Христові страсті. Знаний нам,  
один його рисунок, з якого багато розуміємо  
про Слугу Божого. Це рисунок Христа який несе  
тяжкий хрест, а коло нього багато інших хрес-  
тів. Це наші хрести, яких нам Христос помагає  
нести.

Митрополит Андрей Шептицький народився  
22 липня 1865 року в селі Прилбичі на Львів-

щині. Походив зі стародавнього знатного укра-  
їнського роду, який у XIX столітті зазнав  
полонізації, члени родини стали  
франкомовними римо-католика-  
ми. Незважаючи на сильну опо-  
зицію з боку батька, він вирі-  
шує повернутися до свого ко-  
ріння і стати ченцем Василіян-  
ського чину, щоб служити на-  
шій Церкві.

1899 він стає єпископом Ста-  
ніславівським, а 31 жовтня  
1900 року у пресі з'явилось офі-  
ційне підтвердження про номі-  
націю єпископа Андрея Шептиць-  
кого Галицьким Митрополитом, який  
обдарований надзвичайними духовними ха-  
ризмами невтомно трудиться, щоб примирити  
різні етнічні групи, і залишає по собі багату  
спадщину творів на тему суспільних проблем і  
духовності. Розробляє нові методи служіння.  
Засновує чин Редemptористів та монастирі  
Студійського Уставу інші релігійні згромаджен-  
ня. Він стає фундатором лічниці, Національ-  
ного музею, Богословської Академії, надає гро-  
шову допомогу різним релігійним культурним  
та освітнім установам.

Митрополит Андрей був покровителем мит-  
ців, студентів, в тому числі і багатьох право-  
славних християн, а також піонером в екуме-  
нізмі.

За роки нацистської окупації він переховував  
у своїх палатах сотні євреїв. У цей період мит-  
рополит пише пастирського листа "Не убий",  
який став сміливим протестом проти звірства  
нацистів, так як він постійно виступав проти  
большевицького терору.

Митрополит Андрей Шептицький помер 1 ли-  
стопада 1944 року. Зараз успішно триває про-  
цес його беатифікації. Він недавно проголо-  
шений Преподобним (“Venerable”) (RISU)

## Save the Baby Humans by Father Ray Palko

Outrageous! How can that be?! We will not stand  
for it! We will not allow it!

“There was a deer, still alive, impaled on three of  
these prongs, squirming, thrashing, trying to get  
herself off....” (June 14, 2013 WIVB) I am recalling  
this reported incident of some three years ago when  
the poor deer had failed to make the jump over a  
pointed fence and suffered such a horrible death. If  
you recall, it was a cemetery fence (one mile long) in  
Amherst. This account became the leading news  
story on TV and was often reported in the papers. Of  
course, the reporters made it sound as if it were a  
daily occurrence, and deer were dying in great  
numbers all along the mile-long fence. While not  
minimalizing this terrible death, I am sure only a very  
few (2 or 3 at most?) of these animals actually  
suffered these dire consequences. However, from  
the public outcry you would never suspect that.

There was great community outrage... Facebook  
and Twitter were burning up with protest! Individuals  
and groups mobilized, the TV stations regularly  
reported on it, (most likely the lead story), the  
newspapers had regular articles, and all were  
untiring in their efforts to change the situation. Not  
one more deer would be allowed to die because of  
that historic fence! Because of those very strong  
protests, the solution was to cut off all the spikes on  
the fence to save any deer who might not make the  
jump cleanly. As far as I know, these days the deer  
in Amherst are alive, happy and safe.

- Then we recall the TV and news stories that  
continued for months and months with reports and  
updates of a puppy named Phoenix deliberately set  
on fire. The dog had suffered serious burns, but  
survived. He ‘rose from the ashes,’ hence the name  
Phoenix.

- Shortly after that came the sad story of a big  
strong man beating and kicking his little five-pound  
dog. Again, the defenseless animal was seriously  
injured and had broken bones, damaged eyes and  
swelling to the body.

- Then an account telling us how the SPCA entered  
a home and seized over 100 animals from an abusive  
owner whose lack of proper care caused immense  
hurt and suffering to the various species supposedly  
in his care.

- Later on it was reported several young people  
tortured and burned a snapping turtle as they  
laughed and video-taped themselves in the act.

- After that we heard of the betrayal of the animals  
in a protective shelter. Supposedly placed in a safe  
haven the dogs, cats and other animals were physi-  
cally abused by a worker where they were housed.

- Just this past week the SPCA had to rescue 47  
cows, 2 pigs, some ducks and many, many cats. The  
farm owner was financially or physically incapable  
of caring for all those poor dependent helpless  
animals.

Every one of these stories has two very important  
characteristics – EXTREME SUFFERING of defense-  
less living beings and OUTRAGE! When these, and  
so many other stories of animal abuse come to light,  
we are naturally appalled and sickened by such  
accounts, and we all want to do whatever we can to  
stop the neglect, suffering and violent and horrible  
deaths of these poor, innocent and vulnerable  
animals. It is absolutely amazing to witness the  
incredible response of people as they come together  
and offer their time, talent and treasure and say, “NO  
MORE! THIS MUST STOP! THOSE RESPONSIBLE  
MUST BE BROUGHT TO JUSTICE! THE ANIMALS  
MUST BE RESCUED FROM THOSE HORRENDOUS  
SITUATIONS!” THIS MUST NOT HAPPEN IN A  
CIVILIZED SOCIETY! People join forces in their  
disgust and outrage. The TV stations and news-  
papers keep the stories in the headlines until the  
lives of the poor animals can be saved. When a  
situation is so that the animals have died, the  
protesters do not rest until they have assurances  
that the circumstances have changed and not one  
more animal will die because of abuse or neglect.

Yes! We must save the animals! We must be  
outraged! And rightly so! Yes we are sickened and  
outraged to see or hear about a deer impaled on a

fence. We are deeply disturbed by the great suffering and terrible deaths of animals due to neglect and/or abuse.

But what about the Baby Humans? This past year we saw the horrible videos of the people from Planned Parenthood as they discussed the sale of body parts of those poor, innocent, defenseless BABY HUMANS. Oh there was some outrage; there was some reporting. But definitely not close to the outrage or reporting about animals. Something is very wrong and upside down about our "civilized society!"

Each year in the USA over one million Preborn Baby Humans are murdered in the womb. Where is the outrage? Where is the horror? If you think it is horrible to hear the sounds of a tortured animal or see it ripped apart, what about the Baby Humans? If you can't stand the sounds of the suffering, dying animal, what about "The Silent Scream of Abortion?" If you can't stand the sight of all those dead animal bodies, what about the modern Holocaust of the Murder of Preborn Baby Humans? If you can't stand the sight of a deer impaled on a fence, what about the sight of a doctor pulling a baby from the mother's womb and pushing scissors in the back of the child's head for the express purpose of killing him or her?!

Yes, animals often suffer and die in horrible ways. But more importantly, so do humans. If it is outrageous, horrible and unthinkable to tear apart or torture an animal, how much more evil is it to do that to a Preborn Baby. We must do everything in our power to stop the murder of our helpless, innocent Preborn Humans. In a few days we will have the opportunity, like those activists who spoke up for the deer or cows, "to do something." We truly have an opportunity to save lives. We must VOTE! We must vote for Jesus Christ, Son of God, and His teaching. We must vote for Life! We must vote to end the unbelievable and evil scourge on this country, "the New Holocaust," "the Silent Scream."

Listen to the Word of God as you read the following quotes: *"...the greatest destroyer of peace today is abortion, because it is a war against the child, a direct killing of the innocent child, murder by the mother herself."* Mother Teresa now St. Teresa of Calcutta

*"... the right to life, the most basic and fundamental right and the condition for all other personal rights must be defended with maximum determination."* Pope John Paul II now Pope St. John Paul II

*"... there are some things we can never do or cooperate with because they are always incompatible with love of God and neighbor. These are called 'intrinsically evil' actions. They must always be rejected and opposed and must never be supported or condoned."* In our nation, abortion is the forefront of these intrinsically evil actions." U.S. Conference of Catholic Bishops

A long time ago our God told us, *"I call heaven and earth to witness this day against you: life and death I have set before you, the blessing and the curse. Choose therefore life, that thou mayest live, both thou and thy descendants."* Deuteronomy 30:19

O Most Holy Mother of God, Patroness of the United States of America, we beseech you to pray God's mercy on us and on our nation as we approach the upcoming elections and face a critical moment in the history of this country. Dear Mother, we pray Save and Protect!

Save the Baby Humans! Without Life, nothing else matters!! Vote for those who will protect life!
